The statistics in this report are derived from user-supplied data and are provided by Bio-Rad Laboratories as a service to its customers. Such action does not imply support of reported analytes and test methods. Refer to the package insert for specific analyte claims and stability information. Qualitative percentages may not add up to 100 due to rounding. Individual lab stats are updated in real-time and the peer group stats are updated the following day. Peer group statistics contained in this report may not be used without the expressed written consent of Bio-Rad Laboratories.
